ABDELRAHMAN MOHAMED HASSAN IBRAHIM

IT Teaching Assistant | Full-Stack Developer | Data Analyst

Giza, Egypt • +20 127 653 8240 • abdelrahman.ibrahim.job@gmail.com • github.com/Abdu090

PROFESSIONAL SUMMARY

Information Technology graduate (B.Sc. Honours, Grade: Very Good) and university Teaching Assistant who combines academic instruction with hands-on software engineering. Builds and ships production web platforms end to end (React/Next.js, Node.js, PostgreSQL, Vercel) and turns data into decisions with SQL, Python and Power BI. Experienced in teaching AI, web applications and advanced databases, mentoring graduation projects, and leading community digital-literacy initiatives. Seeking an M.Sc. in Computer Science / AI / Data Analytics.

EDUCATION

Master of Computer Science (In Progress) 2024 – Present

Sudan Open University, Sudan

B.Sc. (Honours) in Information Technology – Grade: Very Good 2020 – July 2024

National University, Khartoum, Sudan – Faculty of Computer Sciences & IT (full time, 171 credit hours)

- CGPA 3.15 / 4.00; final-year semester GPA 3.72; Graduation Project graded A.
- All curriculum and examinations completed in English (Medium of Instruction certificate).

PROFESSIONAL EXPERIENCE

Teaching Assistant & E-Learning Administrator Dec 2024 – Present

National University of Sudan – Faculty of Computer Science & IT

- Teach practical lab sessions in Artificial Intelligence, Web Systems & Applications, Advanced Databases, OOP, Parallel & Distributed Computing, Compilers Design, IT Project Management and Internet Technology.
- Administer the Moodle LMS: course structures, student enrolment and attendance tracking.
- Mentor students on graduation projects; prepare coursework and exams and grade technical assignments.

Teaching Assistant (Part-Time) Dec 2024 – Mar 2025

Bahri National University – Faculties of Computer Science & Engineering

- Ran labs in Distributed Databases, Data Mining, E-Government, Advanced Multimedia and Software Engineering; evaluated lab work and gave structured feedback.

Teaching Assistant Intern Oct 2024 – Dec 2024

National University of Sudan – Faculty of Computer Science & IT

- Supported Software Engineering and UML courses; delivered ICDL training (Word, Excel, PowerPoint) to first-year students.

Marketing & Customer Behavior Specialist Oct 2024 – Present

American International Academy for Languages and Training (AIALT), Sudan

- Plan and run digital-marketing campaigns and analyse customer behaviour and market trends to guide enrolment strategy.

Student Body Coordinator Former

National University, Sudan – student communications, needs-assessment surveys and student initiatives

TECHNICAL PROJECTS

Officify Enterprise OS – Bilingual Business Operations Platform 2026

Offline-first ERP-style platform for Saudi SMEs, fully bilingual (Arabic RTL / English), deployed on Vercel.

- Built finance posting, inventory, procurement and team modules with a full audit log supporting undo.
- Implemented JWT authentication (bcrypt) and a 5-role RBAC permission matrix (Owner, Admin, Procurement, Inventory, Viewer) with safeguards such as a sole-owner guard.
- Designed offline-first storage in IndexedDB with background sync to a PostgreSQL cloud database via serverless APIs.
- Added email team invitations (SMTP), Shopify store integration, and PDF / Excel import-export.

- Maintained code quality with TypeScript type-checking, linting and automated unit, API and data tests.

Tech: React 19, TypeScript, Vite, Dexie (IndexedDB), Node.js serverless functions, PostgreSQL, JWT, Vercel

Durjak – Bankak Payment Receipts & Reports Platform 2026

Reporting and reconciliation system for payments received through Bankak (Bank of Khartoum mobile banking).

- Developed the Next.js backend (production on Vercel) that matches incoming payment receipts to client records, with correct Sudan time-zone handling.
- Handled live database schema migrations (client-ID backfill) without downtime.
- Organised the code as a monorepo with automated tests and a GitHub Actions CI pipeline.

Tech: Next.js, TypeScript, Node.js, SQL database, GitHub Actions, Vercel

Carepath Worldwide – B2B2C Medical Tourism Platform

- Full-stack platform connecting international patients, partner agencies and healthcare providers, with secure document storage on AWS S3.

Tech: Next.js, Node.js, Express, PostgreSQL, AWS S3

E-Commerce Performance Analytics Dashboard 2024

- Interactive Power BI dashboard on a SQL data model tracking sales, customers and product performance (AMIT diploma capstone).

Tech: Power BI, SQL, Excel

CERTIFICATIONS & TRAINING

Data Analysis Diploma (Power BI track) – Grade 90%, 80 hrs Aug – Nov 2024

AMIT – Association of Management and Information Technology, Cairo – Python, SQL, Power BI, Statistics, Excel

Practical Training Labs, 40 hrs May 2024

XpertCoder Academy, Egypt

Basics of Python (24 hrs) and HTML & CSS (24 hrs) Dec 2021

New Horizon Training Center, Khartoum, Sudan

McKinsey Forward Program

McKinsey & Company – problem solving, leadership and digital skills

AWS Student Builder Group

Amazon Web Services – student leadership and community building

VOLUNTEER WORK & LEADERSHIP

Campaign Organizer – "Teach Me Thank You" (علمني شكراً) Oct 2024 – Nov 2024

British International Center (B.I.C), Egypt

- Organised free educational workshops and introductory computer / tech-literacy training to promote e-learning.

Community IT Support Volunteer Sept 2020 – Present

Local community initiative

- Diagnose and repair laptops and smartphones for financially underprivileged students so they keep access to technology.

SKILLS

- **Programming:** Python, JavaScript, TypeScript, SQL, Java, PHP, Dart (Flutter), HTML, CSS
- **Web & Backend:** React, Next.js, Node.js, Express, Vite, REST APIs, JWT auth, RBAC
- **Data & Databases:** PostgreSQL, MySQL, IndexedDB, Power BI, Excel, Pandas
- **Cloud & DevOps:** Vercel, AWS S3, Hostinger VPS, Git / GitHub, GitHub Actions CI
- **Tools & Platforms:** VS Code, Android Studio, Moodle LMS, UML, Agile
- **Languages:** Arabic (native), English (very good; all university study in English)
